Welcome to Bell-Graham! Registering your child for kindergarten begins your journey with our school community. We all look forward to getting to know you and your family in the coming years.

Please complete all parts of the registration forms, being sure to use your child's legal name as it appears on the child's birth certificate. Your child's official school records will be based on the information you provide today, so it is important that the information you provide is complete and accurate.

You may have questions or concerns regarding placement of students in classrooms. You may share in writing with me your thoughts on the type of learning environment best suited for your child. I ask that you submit your letter to the office prior to March 1, As we plan for the 2017-18 school year, we will take all registration materials into account when making these decisions. If you have selected half day kindergarten for your child, determinations regarding placement of the class, as well as choices for am versus pm, will take time to determine. I will keep parents updated and informed as new information is available.

Thank you for taking the time to register your child today. I encourage you to become actively involved in your child's schooling. This fall will be the beginning of a very special journey together.

If at any time you have questions or concerns, please contact me at 331-228-6457.

Sincerely,

Patti Palagi
